

HOPE-PAGE PUBLIC SCHOOLS POSITION OPENING- AGRICULTURE EDUCATION TEACHER/FFA ADVISOR

OUR BELIEFS: We are Hope-Page! We are learners, leaders, achievers, and believers. We will change the world! We learn from our mistakes and grow. We lead by example with joy and purpose. We strive to achieve and succeed. We believe {in ourselves, our peers, and our community} you matter. Our goal is to be a positive change in the world.

THE POSITION: Hope-Page Public School is looking to continue to grow our Agriculture Education program and enhance youth leadership through an FFA Program. We offer a competitive benefit package including health, both sides of TFFR paid by employer, dental/vision, flex spending account, and 403b retirement plans. Coaching and advisory roles in our extra-curricular activities are also available.

THE DISTRICT: Our district currently has nearly 160 kids enrolled PreK-12. Our current facilities are set up as the elementary school is located in Page and the junior high-high school is located in Hope (approx. 13 miles apart). We currently enjoy a positive, strong working relationship with approx. 45 full- and part-time staff members. We are fortunate to have a very active and supportive parent group. Students are offered just about anything they are excited about in our small district and we are proud of that. A few of those offerings include: numerous extra-curricular activities, 1:1 with technology, dual credit/online courses, and an established CTE program with widespread community support.

OUR COMMUNITY: Home of the Raiders- we are located in Steele and Cass counties in rural, farming communities. We are home to numerous businesses including Hope Electric, EEE Inc., Warrior Mfg., two local elevators, two great grocery stores, and multiple banks. We are wonderful, safe communities that offer many recreational opportunities including golfing, swimming, and parks and are located less than an hour from Fargo.

THE QUALIFICATIONS: Must have bachelor's degree in agriculture education or agriculture related field. Must also have or be willing to obtain a ND Teacher's License from the ND-Educations Standards and Practices Board and meet requirements set by the Department of Public Instruction.

TEACHER QUALITIES:

- Must have ability to develop relationship with students
- Must be able to engage and motive students to learn
- Must have knowledge of students social and emotional development
- Must be able to conduct an instructional program that educates students about career pathways in agriculture
- Must be dedicated to continual professional improvement
- Must be organized and committed to putting students first
