

**STUDENT FEES**

The Board will establish and reassess student fees in accordance with law on an as needed basis at least annually. The Board shall establish school fine amounts as permitted by law. All fees and fines shall be delineated in board-approved regulations.

When a parent/guardian is unable to pay a fee in full, the Superintendent is authorized to waive or reduce this fee upon the parent/guardian’s completion of a fee reduction/waiver form.

The Board has adopted the following specific policies with relation to student fees:

1. Students will be prohibited from charging hot lunch.
2. Fees for driver’s education and for courses that generate products that become the personal property of the student must be paid prior to the start of the course.

The District will vigorously pursue the collection of any outstanding bills, including use of a collection’s agency and/or filing a claim in small claims court. The Superintendent, in accordance with law, may impose further penalties on students for failure to pay fees/fines.
