

FUNDRAISING

In an effort to develop a consistent process for requesting support for students that wish to attend a national event, the following procedure will be utilized:

1. Students must qualify for the trip in one of the following methods:
 - a. Election to a statewide office where attendance at the national event is an expectation of the office.
 - b. Qualify for the national event through participation in a state event.
 - c. District will pay for Advisor/Coach travel related expenses. Student who qualify will be given up to \$500.00 to cover the cost of their trip. Additional funding may be requested from the Board. Additional chaperones funding will be determined by Administration and Advisor.

Activities must be extra-curricular/co-curricular activities recognized by the District.

1. Optional or self-selected trips will not receive district support.
 2. Any additional costs are the responsibility of the student(s) and/or the extra- or co-curricular activity.
