

FAMILY AND MEDICAL LEAVE ACT

The District will comply with the Family and Medical Leave Act.

Twelve-Month Leave Description

Eligible employees may request, and upon approval use, unpaid family and medical leave in accordance with and for the applicable duration guaranteed by the federal Family and Medical Leave Act. Unless subject to an exception in law, FMLA shall be made available for up to a combined total of 12 weeks beginning July 1 and ending June 30 of the next year.

Use of Other Leaves

Other available and applicable paid vacation, personal, family, sick or other paid leave may be substituted for family and medical leave necessitated by birth, adoption/foster care placement, a family member's serious health condition, an employee's own serious health condition, qualifying exigency, or to care for covered service member in accordance with law. Any substitution required by this policy shall count against the employee's family and medical leave entitlement. The District shall pay family leave or sick leave only under circumstances permitted by the applicable leave policy.¹

Notice of Leave

An employee shall provide notice in accordance with regulations. If deemed necessary, the Superintendent/Business Manager may waive notice requirements.²

Return to Work

An employee returning from family and medical leave shall be given a position equivalent to their position before the leave, subject to the district's reassignment policies, negotiated agreement, and practices.³ Instructional employees may be required to wait to return to work until the next academic term in certain situations as provided by law.⁴

Implementing Procedures

The Superintendent shall develop procedures to implement this policy consistent with the federal Family and Medical Leave Act.

The sample policy, in the interests of clarity and limiting absences, requires this substitution.
