

Hope-Page Technology Committee

October 19th, 2021

3:00 p.m. Hope-Page Elementary School

Attendance: Cindy Hiam, Jason Mewes, Lucas Juliuson, Missy Leraas, Brent Jacobson, Chad Kainz and Heidi Kingston.

Meeting commenced-Cindy Hiam was nominated by Jason, 2nd by Luke to be committee chair.

Meeting was called to order and given over to Brent.

- Internet and Server
 - Server went down in Hope with no backup. All data was wiped out. A replacement server was brought in and built back up. It is a work in progress.
 - Long term solution for Hope-8,000 and for \$250 license.
- WiFi-state UPS went down across the state. Everything else came back up-it took down WIFI in Page.
 - A virtual controller was built in Hope to help with the WIFI in Page.
 - Page needs 5 access points. \$7,000.

Complete replacement is \$20,000-40,000 in each location.

- Brent-WiFi in Hope and Page. Maraki \$35,000-\$40,000.
 - Sysco
- Promotional Video
 -
- Security Cameras
 - New cameras were installed last year.
 - The school has the cameras and infrastructure but needs a \$14,000 upgrade.
 - Licensing for the cameras is \$12,000/year for the district.
 - Access points and cameras need to be upgraded.
 - Brent-needs to find out when the camera agreement expires.
 - Discuss at Winter meeting.

- Technology Plan/Rotation Schedule
 - Update Ipads in Page-30 of them
 - Teacher Technology Committee meet to determine wants/needs.
 - Make recommendations for replacement schedules.
 - Teachers and Brent will create and inventory list for technology and replacement cycles.
- Intercom/Phones
 - Intercom-bandaid was \$2,000. Replacement would be \$10,000.
 - Phones-Brent will need to get an estimate for the cost of phones in classrooms.
