School Board Meeting tonight @ 8 p.m. @ Hope School

SATURDAY MORNING BASKETBALL TO BEGIN

FSHP Saturday Morning Basketball will begin on Saturday, January 16 at the Hope gym. The first session will be for students in grades 1-3 and it will run from 9:00-10:00. The second session will be for students in grades 4-6 and will run from 10:00 to -11:00.

The Saturday Morning Basketball program has been going on for over 40 years. It was first started by Coach Linda Knutson, who led the Hope Hustler girls to two state titles. Once she left it has been run by Mark Frost, who is looking forward to another season. Saturday Morning Basketball involves learning a fundamental each week and games are then played. The final Saturday will be the season ending tournament, which is planned for March 6.

All students are welcome and high school players are welcome to come help teach the younger students. With the recent rules changes, parents will be allowed to watch.

Can't Stop from Reading...

I got to reading inside my books; It got electric, wavy when I stopped to look

I got that story in my pocket, Got that Plot line in my feet, know those character I'm meeting when it drops.

And under the lights when everything goes, Where do I stop when my bedtime is close? When you read, well, you already know. Your just imagine, just imagine, just imagine.

Nowhere that I could not go if I read, read, read, read

Nothing that I couldn't do if I read, read, read, read

Come On—All those things that I can learn if I read, read, read, read

Ain't nothing that keeps me down I'll keep reading!

Can't Stop from Reading.....
