

Hope-Page Elementary

February 12th, 2024

Happy Birthday

We are Learners, Leaders, Achievers and Believers! We will change the world!

Today Hamburgers, Baked Beans, Hashbrown Bake and Applesauce
Tomorrow Taco Salad

Announcements

It's Kid's Heart Challenge fun fact time! Capillaries are the smallest blood vessels in the body, even smaller than a human hair! Their very thin walls help allow nutrients and oxygen to pass through and get to your organs. Smoking harms you blood cells and blood vessels, including these tiny capillaries! Be sure to say NO to vaping and tobacco and learn other ways to keep your heart health with the American Heart Association by signing up for the Kids Heart Challenge today.

Mrs. Kingston has donated over half of her money so far!

There will be Cheer club today after school in Hope.

It was great to see everyone at conferences on Thursday!

The Kansas City Chiefs won the Superbowl yesterday!

Mrs. Kingston will have STEAM Class in the STEAM room.
