Can't Stop from Reading...

I got to reading inside my books; It got electric, wavy when I stopped to look

I got that story in my pocket, Got that Plot line in my feet, know those character I'm meeting when it drops.

And under the lights when everything goes, Where do I stop when my bedtime is close? When you read, well, you already know. Your just imagine, just imagine, just imagine.

Nowhere that I could not go if I read, read, read, read

Nothing that I couldn't do if I read, read, read, read

Come On—All those things that I can learn if I read, read, read, read

Ain't nothing that keeps me down I'll keep reading!

Can't Stop from Reading.....
