EMPATHY-

...the ability to under-
 stand and share the
 feelings of others...

It is a beautiful day out-
 side, and Henry doesn't
 have anyone to play
 with. How do you think
 Henry is feeling?

Remember: It's okay to go Below the Line.
 Everyone does sometimes. We can visit
 Below the Line—we just don't want to live
 there.

Some people are almost always Below the
 Line and only visit Above the Line once in a
 while. That isn't much fun for those people
 or the people they care about.

When you go Below the Line, what can you
 do to make sure it's just for a short while?
