

FSHP Spartan Football and The Maple River Raiders will be using the Remind App as the primary communication source for all extra-curricular activities for the foreseeable future.

Students and parents PLEASE DOWNLOAD the REMIND APP and create an account.

After completion, please enter the below class codes of all activities that you plan to participate in to receive information from your coaches. Coaches will be communicating upcoming events such as open gyms, off season camps, and much more information that you will want to know. This program will be continued to be used during the season. If you have any questions, please reach out to Mr. Benth.
