

GCC Indoor Event Information and Recommendations

Disclaimer

Due to the COVID-19 pandemic, Griggs County Central School District has been exploring reasonable ways to provide access to student events in a safe and effective manner.

GCC has worked with state and local agencies, including our local health department, to develop guidelines regarding personal protection, proper hygiene habits, social distancing, cleaning, health screening, and other health and safety procedures.

Though GCC will work hard to implement and abide by those guidelines, neither the guidelines themselves, nor even recommendations from the Centers for Disease Control and Prevention or the ND Department of Health, would ever allow the district to guarantee an environment that is entirely free of COVID-19 related risks. There are risks to attending school events whether they are inside the building or at an outdoor venue. Those with underlying health conditions or COVID-19 concerns should consider the risks prior to attending a school event.
